

# LINX SUMMER CAMP MAP

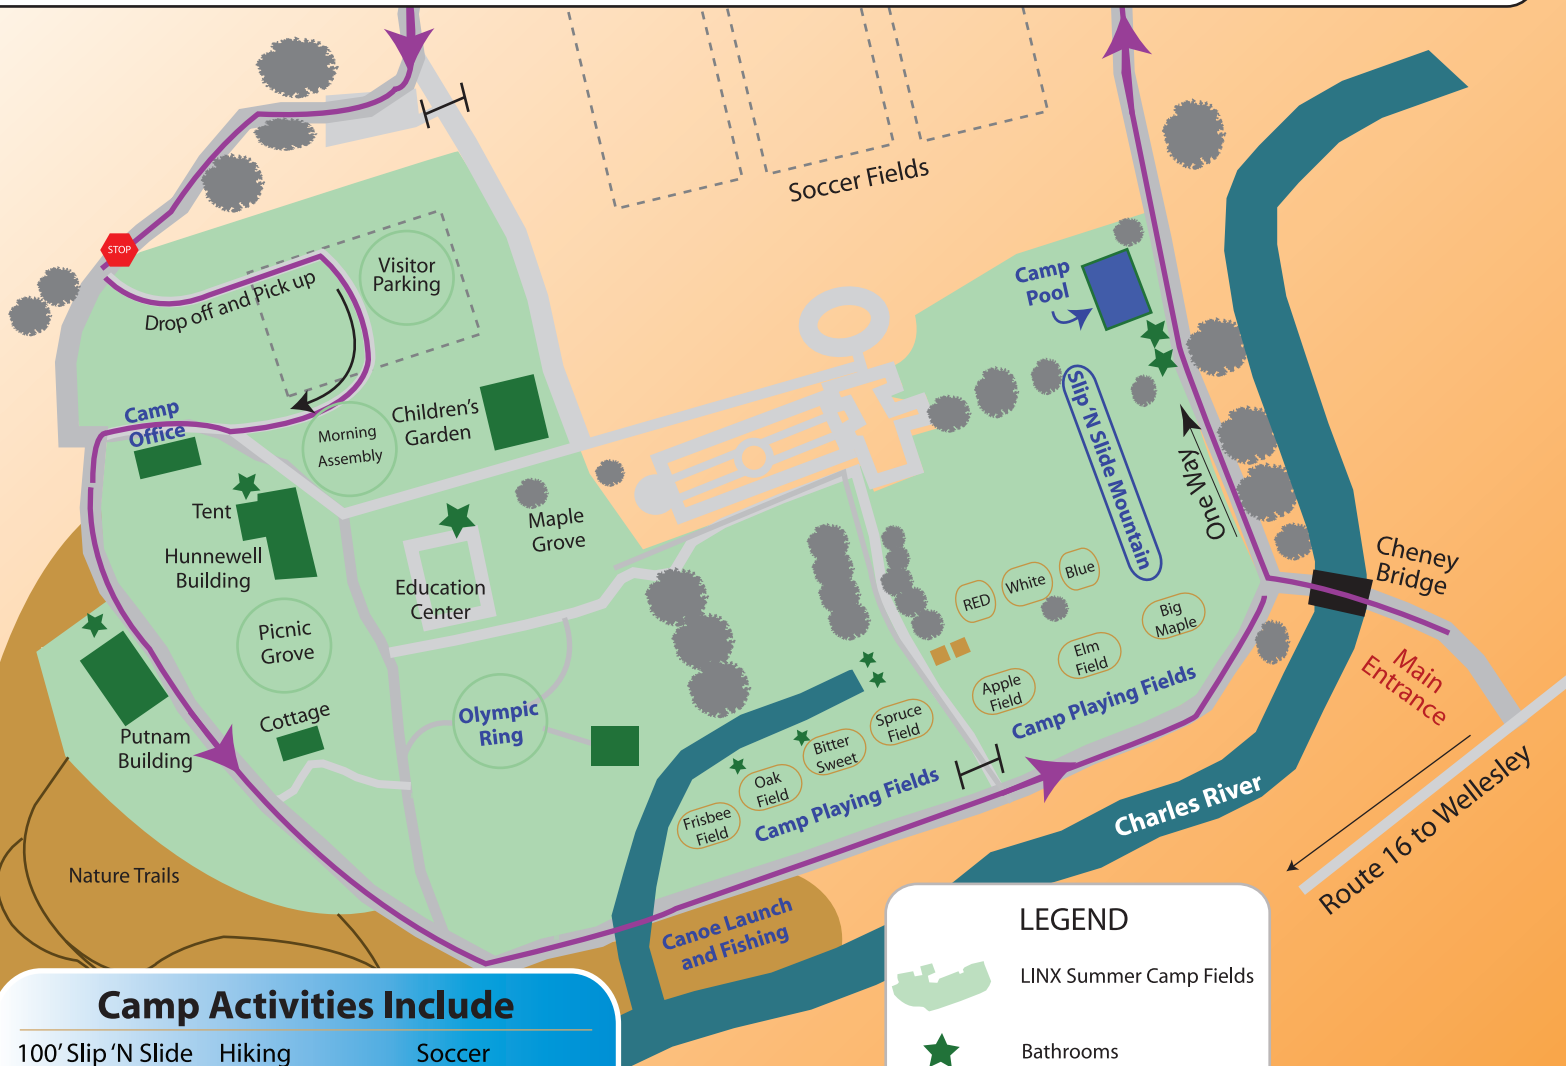

LINX Summer Camp is located in Wellesley/Dover on the 180 acres of beautifully maintained playing fields, forest trails and gardens of the Elm Bank Reservation. The Charles River wraps around this pristine property and provides the perfect setting for canoeing, fishing, sports, swimming, games and summer fun.

LINX Summer Camp provides the best of both worlds on rainy days by making use of their state-of-the-art 10,000 square foot air conditioned enrichment center located just 5 minutes away in Wellesley. In the event of mid-day inclement weather, while at the Elm Bank Reservation, our talented staff team will engage campers in a variety of fun activities in the Education Building, Putnam Building, Hunnewell Building and the huge Hunnewell Tent.

**Bus transportation is now available from 12 towns.**

**A NEW SWIMMING POOL is being added to the property for 2010!**

Visit our website at [www.LinxSummerCamp.com](http://www.LinxSummerCamp.com) for details.
